ABS Material RoHS Compliance Certificate

Hereby we confirm that the Hydroponic Trays supplied by MP SEEDS, a company registered in Poland under VAT No. PL7262654485, are manufactured using ABS PA-1730 material.

Based on the independent laboratory test report issued by SGS, the tested sample of ABS PA-1730 material complies with the requirements of Directive (EU) 2015/863 amending Annex II to Directive 2011/65/EU (RoHS).

Analytical results

Substance	Result
Lead (Pb)	**Not detected**
Mercury (Hg)	**Not detected**
Cadmium (Cd)	**Not detected**
Hexavalent Chromium (Cr(VI))	**Not detected**
Polybrominated Biphenyls (PBB)	**Not detected**
Polybrominated Diphenyl Ethers (PBDE)	**Not detected**
Bis(2-ethylhexyl) Phthalate (DEHP)	**Not detected**
Benzyl Butyl Phthalate (BBP)	**Not detected**
Dibutyl Phthalate (DBP)	**Not detected**
Diisobutyl Phthalate (DIBP)	**Not detected**

Diagnostic methods	**ICP-OES / AAS, UV-Vis, GC-MS**
SGS Test Report No.	**SHAEC24027826133**
Test result	**PASS**
Report date	**26/12/2024**

This certificate confirms the RoHS compliance of the tested ABS PA-1730 material used in the manufacture of the trays. It does not constitute a separate laboratory test of the finished trays.
