MP SEEDS.

Lodz, Poland
02/11/2026

Non-GMO Certificate

Hereby we confirm that the seeds supplied by MP SEEDS, a company registered in Poland under VAT No. PL7262654485, originate from plant varieties that are not genetically modified.

Based on the supplier's declarations, product specifications and seed traceability documentation, we confirm that:

Seed lots No. HMO, HPA, HPM and P-26, supplied on or after 01/03/2026, originate from plant varieties that have not been genetically modified and have not been produced using genetically modified organisms.

This certificate applies exclusively to the seed lots identified above and has been issued based on the documentation available on the date of issue.
